

LEWIS STRONG SCHOLARSHIP

\$2,000

The *Lewis Strong Scholarship* is given yearly to honor the life of Peggy Lewis and her passion for education. Peggy's love for education was shown in her 20 plus years of working in the Lehi High School Counseling Department as the Scholarship Specialist. After being diagnosed with Stage 4 Bladder Cancer, Peggy wanted to give back to those she loved helping most, high school students. Peggy created the *Lewis Strong Scholarship*, and though she lost her battle with cancer in 2018, Peggy will continue on in helping individual students pursue a higher education.

Deadline: March 22, 2019 {Return to Counseling Office}
